Fees to be paid in advance with application form - €60.00 euros to be paid in full or €30 deposit which is non-refunable.**Closing date for receipt of completed forms together with payment is Thursday 31st May****Outline of workshops:-** In this two day workshop Una will lead the participants through the process of painting a portrait from life, from planning the composition, through tonal underpainting to completed painting.

The workshop will begin with an introduction to the anatomy of the face, head and neck which will help with the structure of the portrait, and then proceed with composing the piece.

Working in oils, we will look at colour mixing using a limited palette, effects of light, and the colour of the shadows. Warm/cool contrasts will be studied in order to increase the understanding of depicting 3 dimensions on the picture plane. Una will paint alongside the participants to demonstrate the various principles, and will give individual guidance according to each artist's level of experience.
